# 2015 Season Outlook

Salt Lake Volleyball hit the court for the last two weeks preparing to see their first round of action this weekend. After catching up with Head Coach Sue Dulaney she had some insight on this upcoming season.

"The chemistry on this team is different than last year, as coaches we saw it in day one," coach Dulaney said. "Different doesn't mean bad, it just was more energized and positive."

Last season, the Bruins volleyball team finished the season as the No. 9 team in the Nation. SLCC went 27-10 overall and 8-2 in conference play. Salt Lake took the runner-up position at the Region 18 tournament before setting their sights on the National Tournament, where they won the Consolation Bracket. This year, the team is returning six sophomores, four of which were starters, the most out of the region.

"Our current sophomores learned many lessons from last year's sophomores," coach Dulaney said. "Our sophomores have to come into our program making an impact both on and off the court. They set the tone of the team and guide our freshman. I think that is one of the biggest lessons we learned from last year."

The Utah based crew added seven new Utah kids and one lone Texan to the roster.

"Our freshmen are athletic and have been like sponges learning and growing," said coach Dulaney.

The team has all been in Utah for the summer, which has provided them the opportunity to get comfortable and train with one another.

"Since we (as coaches) cannot have contact with them they stepped up and did it together. They have all worked hard this summer in open gyms and in the weight room and they came back in great shape," coach Dulaney said.

## Sue Dulaney

Head Coach Sue Dulaney enters her eighth year at Salt Lake Community College where she is longest and winningest coach in SLCC Volleyball history. With an overall record of 186-60 through her seven prior seasons, she led the Bruins to a 24-10 record and 8-2 in the Scenic West Athletic Conference (SWAC) last season.

In 2014, Coach Dulaney directed the Bruin Volleyball team to a second place SWAC regular season and Region 18 finish. Once arriving at the National Junior College Athletic Association (NJCAA) Nationals, the Bruin Volleyball team shook off a first-round loss to take the Consolation Bracket Title, ending the season as the No. 9 team in the nation.

Dulaney had multiple players from last year's team receive awards for their outstanding play, including Carol Grasso who was named to the NJCAA 1st Team All-American list. Dulaney successfully moved on all four of her 2014 sophomores to accredited four year universities.

Under Dulaney's leadership, the Bruin Volleyball team has excelled academically racking up three American Volleyball Coaches Association (AVCA) All-Academic and three NJCAA All-Academic team honors.

During Dulaney's tenure the Bruins have racked up three SWAC Championships, two Region 18 Championships, and have had five National Tournament appearances with three 4th place finishes and two Consolation Bracket Titles.

She has coached eight All-Americans, a SWAC Libero of the Year, two SWAC players of the year, and has received coach of the year three times during her reign.

Sue has coached teams in various states including Wyoming, Colorado and Utah. In 2000, she revitalized the Western Wyoming Volleyball program that had been dropped in the early 1980s. Sue is a member of the AVCA and is on the AVCA Region Coach-of-the-Year Committee. She is also a certified national strength and conditioning personal trainer since 1997.

Coach Dulaney played collegiate volleyball at the University of Wisconsin-Madison where she earned her Bachelor's degree in physical education and her Masters of Sports Science from the United States Sports Academy. Husband Stew serves as an adjunct professor for SLCC. Son Dane is currently attending Colorado Mesa University studying Mechanical Engineering and daughter Shea is studying to be a physician's assistant at the University of Utah.

# Lifetime Activities Center

## Taylorville Redwood Campus

The Lifetime Activities Center is home of the Salt Lake Community College Bruins. The "LAC" was dedicated in January 1996 by President Dr. Frank Budd. This building was built not only to give the Bruins a new home, but also to give the students at SLCC a state-of-the-art activity facility.

The LAC houses the Health and Lifetime Activities Department and the Athletic Department. Personal Training and Health and Lifetime Activities

programs are all a part of the LAC daily educational mission.

Special features of the LAC include a 5,000 seat special events arena, multiple class and meeting rooms, large multi-purpose playing area, six glass wall racquetball courts, dance studio, full service free weight room and cardiovascular fitness center.
