Head Coach DG Nelson

Coach DG Nelson enters his 22nd year at the helm of the highly successful SLCC Baseball program. In his tenure, DG has led the Bruins to a Scenic West Athletic Conference (SWAC) Championship, two Region 18 Championships and two National Junior College Athletic Association (NJCAA) Top 20 finishes.

Nelson has coached the Bruins to the best record in school history and best ever winning percentage. With Nelson as head coach, 124 of his players have moved on to compete and study at four-year institutions, with 27 Bruins joining the professional baseball ranks--one even moving on to a Major League Baseball World Series team.

Last season, Baseball ended their season 31-20 overall and 22-9 in conference making a big late season push. Bruins fought their way through the Region 18 Tournament ending as the No. 1 team in the SWAC. Nelson lead the Bruins to their first NJCAA World Series appearance in Mesa, Colorado. The Bruins were knocked out in the first two games of the double elimination tournament. Bruin finished 8th overall at the world series tournament.

Coach Nelson has compiled a 693-379 overall record at SLCC, 455-240 in SWAC competition. DG has developed Bruin Baseball into one of the premier junior college baseball programs in the entire nation.

Prior to joining SLCC as an assistant coach in 2000, Nelson was an assistant at Dixie State College on its SWAC Championship and NJCAA National Runner-Up team. He also served as a hitting coach for the St. George Pioneerzz in 2002, and worked as a graduate assistant at Brigham Young University (BYU) in 1998 and 1999.

SLCC President Greg Peterson PhD

Dr. Greg Peterson is the ninth president of Salt Lake Community College (SLCC). He was selected to lead Utah’s largest two-year higher education institution in April 2024. Throughout Dr. Peterson’s tenure in higher education, he has demonstrated his commitment to the community college mission — aspiring to provide all students with access to and success in higher education and in life.

A first-generation community college student himself, Dr. Peterson has launched many initiatives focused on student learning and success. He led college promise programs at several two-year institutions and pioneered the nation’s first Artificial Intelligence and Machine Learning associate’s degree. Dr. Peterson also has a strong track record of establishing partnerships with community and industry leaders to strengthen workforce pipelines, enabling students to translate

their education into family-sustaining careers. Additionally, Dr. Peterson has led efforts in improving transfer rates among community college students. In 2024, the U.S. Department of Education recognized his work in this area. Most notably, at one institution Dr. Peterson oversaw a 45% increase in transfers for Native American students, a 39% increase for Black students, and a 13% increase for Latinx students.

Before taking the helm at SLCC, Dr. Peterson was the President of Chandler-Gilbert Community College in Arizona. He holds a doctorate in educational administration with an emphasis in community college leadership from the University of Texas at Austin; a master’s degree in postsecondary, adult, and continuing education from Portland State University; and a bachelor’s degree in English from Brigham Young University.

Vice President of Student Affairs Brett Perozzi Ph.D.

Brett Perozzi is Vice President for Student Affairs at Salt Lake Community College in Utah, USA. He formerly served for five years as Vice President for Student Affairs and ten years as Associate Vice President at Weber State University (WSU). He previously served as Executive Director of Student Engagement at Arizona State University, and has worked at Indiana, Texas Tech, and Colorado State Universities.

Dr. Perozzi holds a Ph.D. from Indiana University and a Master’s degree from the University of Arizona, both in Higher Education Administration; with a bachelor’s degree in Education from the State University of New York. He has served as a faculty member in the higher education graduate programs at Indiana, Colorado State, Arizona State, and LUMSA University of Rome, and is the cofounder of the Higher Education Leadership program at WSU. Brett has authored dozens of publications in journals, textbooks, monographs, and book chapters. He has published three books, two on the topic of international student affairs and services, and one on student employment during college.

Dr. Perozzi is an active leader with NASPA – Student Affairs Administrators in Higher Education, helping coordinate and shape their global agenda, by establishing a Global Advisory Board, culturally relevant educational programming abroad, and advancing intercultural understanding among those doing student affairs work globally. He has been invited to speak and present on higher education topics worldwide, and seeks to give back to the field through his speaking, writing, and research. Brett is a founding member of the International Association of Student Affairs and Services.

Brett is active in the community through volunteer leadership and board service for organizations such as the cities of Fort Collins, CO and Ogden, UT, United Blood Services, the United Way, and others. Brett and his partner, Teri, enjoy the outdoors and take advantage of their mountain location in all seasons of the year with their Siberian Husky, Akira. They love to travel and explore the world. As a former musician Brett has been involved with many arts events over the years, and seeks out musical endeavors whenever possible.
